## WORKING PAPER

### ECONOMIC RESOURCES DIVISION

Significant Substantive Items, Week of 27 August 1979

25X1 1. [ ] branch chief, Resources Branch of OER China Division  
25X1 has reviewed our draft on the status of Chinese Ports involved in  
import/export trade and serving ocean-going vessels. He has proposed,  
for OER production scheduling, a joint effort [ ]  
[ ] to be published in January 1980. In order to achieve wide  
dissemination a decompartmented version will be prepared with our  
detailed data incorporated in an appendix. Additional work on our part  
will include some updating from more recent imagery and review of some  
additional ports the Chinese plan to develop. [ ]
